MEMORANDUM FOR: Deputy Director (Administration) 28 August 1952

SUBJECT : Memorandum from [REDACTED] Subject : 25X1A
Patent Rights, dated 11 August 1952

25X1A

1. It seems to me that [REDACTED] memorandum of 11 August is an acceptable statement of Patent policy insofar as [REDACTED] is concerned except that the term "shop rights" used in the second paragraph is vague in its meaning and not applicable to the Government in that in most cases the Government will not have shops in which to use the rights. It seems to me to be preferable to say the Government will always be protected by a non-exclusive license under such patents with the right to sub-license.

25X1A

25X1A

2. It would be well to defer any action on this until the matter has been discussed with [REDACTED] as suggested in [REDACTED] letter. 25X1A
